ART needle-work and valuable embroideries are frequently ruined,
or their beauty much impaired by washing them with ordinary
soap, which is too rank for such delicate articles. A simple, and
the proper method is to make suds of hot water and Ivory Soap,
and allow to cool till lukewarm. This solution, while very effective,
is perfectly harmless.

A WORD OF WARNING.

There are many white soaps, each represented to be "just as good as the Ivory";
they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of
the genuine. Ask for "Ivory" Soap and insist upon getting it.

A DAY'S PICK-UPS IN WASH-
INGTON.

Death of Dr. J. H. Kidder—Treasurer
Huston's Bond Approval—Cooley
for the Supreme Bench.

WASHINGTON, April 9.—Dr. J. H. Kid-
der, of the Smithsonian Institute, died
Monday morning at his residence in this
city from an attack of pneumonia. Dr.
Kidder served as a surgeon in the navy
until he resigned about twelve years ago,
since which time he has been connected
with the scientific branch of the govern-
ment service. Under Prof. Baird he was
connected with the Fish commission, and
later was Director of the International
Exchanges in the Smithsonian Institute.
He leaves a wife, daughter of the late
Postmaster General Maynard, of Ten-
nessee, and three children.

Cooley for Supreme Judge.

WASHINGTON, April 9.—It is whispered
here that Judge Cooley, chairman of the
Inter-State Commerce Commission, may be
chosen as Justice of the Supreme court to
succeed the late Justice Matthews. Michi-
gan, which is in the judicial circuit over
which Justice Matthews presided, is the
only State in the circuit which has never
had a representative on the Supreme
bench. The circuit includes Tennessee,
Kentucky, Ohio, and Michigan. Tennes-
see has had one Justice, Kentucky three,
Ohio five, and Michigan none; so it is felt
that this is about Michigan's turn.

Mr. Huston's Bond Approved.

WASHINGTON, April 9.—The Secretary
of the Treasury has approved the bond of
Mr. Huston as Treasurer of the United
States, but he will not qualify and assume
the duties of the office until Treasurer
Hyatt is relieved of his duties at the New
York sub-treasury, and probably not until
after the count of the money and securi-
ties at that office has been completed. As-
sistant Secretary Tolson expects to take
charge of the New York sub-treasury next
Monday, and the count will probably be
completed in about three weeks.

Secretary Rusk Cutting Down His Force.

WASHINGTON, April 9.—Secretary Rusk
finds the roll of employees of the Agricul-
tural Department so largely in excess of
the resources for the department that he
will after June 30 there will be far more
dismissals than appointments. In the sec-
ond division alone eighty of the employees
have been dismissed, and the force will be
still further reduced. Secretary Rusk says
he is determined that there shall be no de-
ficiency in his department for Congress to
provide for if he can help it, and he thinks
he can.

Executive Clemency.

WASHINGTON, April 9.—The President
has granted a pardon in the case of Wil-
liam Wood, convicted in November last of
murder in Arkansas and sentenced to be
hanged. April 9. He also granted a res-
pite till June 31 in the case of Henry W.
Miller, convicted of complicity in the same
crime.

Major Arme Is Absent.

WASHINGTON, April 9.—Owing to
Major Arme's absence from the city the
trial of the case of the city of St. Louis
will not be held until Thursday. Mean-
while a messenger will be sent to Virginia
with an order summoning the Major to
appear.

Named in Honor of Gen. Logan.

WASHINGTON, April 9.—By direction
of the President the Secretary of War has
ordered that the new military post near
Denver shall be known as Fort Logan in
honor of the late Gen. John A. Logan.

Notes From the Capital.

A very strong effort has been made to
induce President Harrison to reappoint
Judge Zane of Utah, who was removed
from the bench by President Cleveland.
It is understood that ex-Consul General
Sewall, late of Samoa, will be made dis-
bursing agent for the commissioners to the
Berlin conference in order that he may be
freely consulted by the commissioners re-
lative to the situation and events during his
time there.

It is said that Secretary Windom has re-
commended the appointment of Judge
Crowell of Minnesota, formerly sixth
auditor, for reinstatement to his old posi-
tion, and R. C. Parsons of Cleveland,
formerly United States marshal of this dis-
trict, for completion of the currency. The
President is reported to hesitate about
making either of these appointments.

IOWA RIVER LAND SETTLERS.

Trouble Anticipated When the Marshals
Reach the River.

FORT DODGE, Iowa, April 9.—In the
river land country the evicted Iowa
farmers are busy putting in their crops.
Meetings are being held in different parts
of the country. The newspaper corres-
pondents have been turned back by the
farmers and not allowed to enter the
region where the settlers have retaken
their lands.

Mr. Boynton, the president of the Set-
tlers' union, in discussing the situation,
said that during on officers and the forcible
repression of the lands was not com-
menced by the union, but was the act of
individuals. The Settlers' union wanted
a trial and the speedy return of the speedy
return of the lands to them. He said the
meeting at Heffner's was unknown to
him and was not a union meeting.

Watson Ferguson, one of the prosecuting
attorneys, said that he and Mr. Figan were
in danger and were anxious for the return
of the land-owners, who they considered
their protectors.

It is generally believed here that when
the marshals go back with force after the
after the rain cases there will be trouble.
The country lies between the junction of
the Boone and Des Moines rivers. It is
thoroughly cut up by the ravines and is
covered with low timber, making it ex-
ceedingly wild.

LATER—A posse of twenty-five men have
arrived from Des Moines to assist the
United States marshal in the case of the
settlers, which will be resumed as soon as
the rain cases. The settlers say that if
the coming investigation sustains the
claimants immediate and full possession will
be given, without necessity for recourse
to eviction.

Said to Have Insulted Greeley.

COLUMBIA, Mo., April 9.—The quar-
termaster of Lieut. John C. Walsh of the
signal service, stationed at Cincinnati, for
speaking disrespectfully of Chief Greeley,
is in process of being court-martialed here-
to-day. Lieut. C. W. Foster being judge-
advocate of the court.

Edwin Booth Continues to Improve.

NEW YORK, April 9.—The air of Gram-
ercy Park, where the Players' Club is sit-
uated, is slowly but surely improving.
Edwin Booth is expected to be here in a
few days, and the great tragedian will be able to be out.
His condition to-day is much improved.

Epoch.

The transition from long, lingering
and painful illness to robust health
marks an epoch in the life of the indi-
vidual. Such a remarkable event is
treasured in the memory and the agency
whereby the good health has been at-
tained is gratefully blessed. Hence it is
that so much is heard in praise of
Electric Bitters. So many feel they owe
their restoration to health to the use of
the Great Alternative and Tonic. If
you are troubled with disease of the
kidneys, liver or stomach, of long or
short standing you will surely find relief
by use of Electric Bitters. Sold at 50c
and \$1 per bottle at F. Sherer & Co's
drugstore.

We have sold Ely's Cream Balm about
three years, and have recommended it
use more than a hundred special cases
of catarrh. The unanimous answer to
our inquiries is, "It's the best remedy
that I have ever used." Our experience
is, that where parties continued its use,
it never fails to cure. F. H. Montgomery
& Co. druggists, Decatur, Iowa.
I have used Ely's Cream Balm for dry
catarrh (to which Eastern persons are
subject who come to live here.) It has
proved a cure. B. F. M. Weeks, Den-
ver, Col.
